LONDON **PLAY**

PLAY IN THE PARK PROJECT

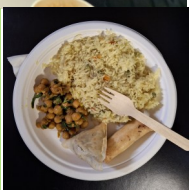

with London Play and the Royal Parks Team

Fiona, Mark and Panda came from London Play. Children shared ideas, marking trails and routes, suggestions for new activities and places they wanted to explore in the park. They also made their own Explorers Club Badge!

We had a lovely community meal of Biryani, chickpea curry, samosas, salad and fruit for dessert. Thank you to Marina our wonderful cook, Aminata and Rehana for helping and Hemeret for the tasty sweet cake

Work Experience

We celebrated Eid 26th March at Little Fingers with Hafsa from Kindle Corner reading traditional EID stories. The children made lovely arts and crafts objects to take home.

We celebrated NOWRUZ on the 19th March with Aruzo reading Persian fairy tales. As it was still Ramadan we were only able to look at photos of traditional foods
